Major Brigham S. Shuler  
Public Affairs Officer  
United States Army Criminal  
Investigation Command  
Department of the Army  
Washington, D.C. 20318

Dear Major Shuler:

The Director has asked that I reply to your letter of 12 December 1975.

We note that your request is for the purposes of establishing a "photo display of badges used by the other Federal and Military Investigative services." The Central Intelligence Agency, whose statutory responsibilities are limited to foreign intelligence, is not normally considered an investigative agency. Accordingly, we believe it would not be appropriate to have any badge in your display. As a matter of interest to you badges, as such, are not used by personnel of this Agency in the normal course of its work, and only a limited number of our Security Officers are authorized the use of a metallic insignia and then only for purposes of identifying themselves in connection with the protection of our physical facilities.

We wish you well in your endeavor and appreciate the fact that you have brought it to our attention.

Sincerely,

/s/ John F. Blake  
John F. Blake  
Deputy Director  
for  
Administration
